### **The Old Mill Lager 4.2% ABV**

If you're not a fan of full-bodied flavour or want something that is light and easy to drink, The Old Mill Lager is perfect. The mix of hops and malts are gentle, providing a crisp, refreshing beer.

### **Taaffe's Red Ale 4.8% ABV**

It has a rich, ruby look and a lavish taste at the back of the mouth. Using five different grains, you'll taste toasted malts, toffee, caramel and chocolate, finished off with a hint of citrus hops. We use an enormous amount of cascade hops to create this beer. Bronze winner at Alltech Beer Festival.

### **Tholsel Blonde 4.6% ABV**

There are four different hops used in this Belgian-style blonde which some have said is the closest Irish beer to the classic blondes brewed in the monasteries and abbeys of Belgium.

### **Táin Taproom Session IPA 3.8% ABV**

Not all IPAs are high in alcohol; this one is full of flavour in a New England style, heavily dry-hopped.
